Bringing personal belongings into Ukraine

Introduction

The Embassy of the Kingdom of the Netherlands advises you to check the following links and contact details. You can also make use of the service of customs brokers, a list of which is attached. Please note that in case you have a job contract in Ukraine the procedure will be different as temporary import depends on the period of your contract validity. Furthermore, much also depends on what exactly you want to bring to Ukraine (volume, specification) in order to know what will be charged.
